

MICHIGAN DEPARTMENT OF CIVIL SERVICE
JOB SPECIFICATION

EPIDEMIOLOGIST MANAGER

JOB DESCRIPTION

Employees in this job direct professional subordinate positions in the management of epidemiological investigations of occupational health/environmental diseases, infectious diseases, chronic diseases, and other health issues. The work requires the use of considerable independent judgment and thorough knowledge of epidemiology. Knowledge of managerial techniques and personnel policies and procedures is also required.

There are three classifications in this job. The classification level is determined by the application of the Professional Managerial Position Evaluation System.

Position Code Title – Epidemiologist Manager-2

Epidemiologist Manager 13

The employee functions as a first-line professional manager of professional positions in a standard work area, a first-line professional manager of a professional position in a complex work area, a first-line professional manager of nonprofessional positions in a complex work area, a first-line manager of a professional position in a standard work area receiving executive direction, or a first-line professional manager of nonprofessional positions in a standard work area receiving executive direction.

Position Code Title – Epidemiologist Manager-3

Epidemiologist Manager 14

The employee functions as a first-line professional manager of professional positions in a complex work area, as a first-line professional manager of professional positions in a standard work area receiving executive direction, a second-line professional manager of professional positions in a standard work area, a first-line manager of a professional position in a complex work area receiving executive direction, or a first-line professional manager of nonprofessional positions in a complex work area receiving executive direction.

Position Code Title – Epidemiologist Manager-4

Epidemiologist Manager 15

The employee functions as a first-line professional manager of professional positions in a complex work area receiving executive direction, a second-line professional manager of professional positions in a complex work area, a second-line manager of professional positions in a standard work area receiving executive direction, or a third-line professional manager of professional positions in a standard work area.
